

# Lend a hand at the Habitat for Humanity Clinton County ReStore!

The Clinton County ReStore sells donated new and gently used household items, including cabinets, appliances, furniture, doors, building materials and more. The proceeds from sales help support the Habitat vision of a world where everyone has a decent place to live.

There's always work to be done at the ReStore and every day is different!  
As a volunteer, you will work alongside our staff and help us provide affordable housing in Clinton County.

We are accepting volunteers to help us with various tasks and projects at our ReStore. Some of our opportunities include things like:

- Rehab our donation center with insulation and paint
- Checking / cleaning lighting fixtures
- Building display units for sinks, doors, beds, and lighting
- Riding along with our donation pick-up team
- Processing drop-off donations
- Special projects
- And more!

All volunteers must be at least 18 years old to participate.  
Contact the ReStore at 937.382.7605 during store hours  
or email [clintoncorestore@yahoo.com](mailto:clintoncorestore@yahoo.com) for more information.
